NHDC will invite all participants bidders for the Presentation of the Event as per the detail scope of the work.

The maximum score of the Technical Presentation for technical passing is 70 on the scale of 100. The presentation date shall be communicated to all the participants bidders according to the schedule either online or physical

Procedure for ranking:

The total marks obtained by a bidder shall be allocated 70% of the technical score and 30 % weightage will be assigned to financial score

Evaluation of Financial bid:

The financial bids will be evaluated using QCBS. The Lowest financial bid will be given the maximum price score. The price of the other financial bids will be computed on a relative scale.

The individual Bidder's financial bids are normalized as per the formula below:

$F_n = F_{low}/F_b * 100$ (rounded off to 2 decimal places) Where,

F_n = Normalized commercial score for the Bidder under consideration
 F_b = Absolute financial quote for the Bidder under consideration

F_{low} = Lowest absolute financial quote

Example:

For example, Amount quoted in financial bid by three agencies are as mentioned below:

A Ltd- Rs: 150 /-

B Ltd- Rs: 230 /-

C Ltd- Rs: 310 /-

The financial weightage shall be calculated as mentioned below:

The lowest quote will be considered 100 in scale of 100, in above case suppose "A Ltd" has quoted lowest quote of Rs: 150/- amongst all.

In this case, the calculation price score will be as follows-

A Ltd- Rs 150/- = (Rs: 150/- / Rs: 150/- X 100) = 100 points

B Ltd- Rs 230 = (Rs: 150/- / Rs: 230/- X 100) = 65.21 points

C Ltd- Rs 310/- = (Rs: 150/- / Rs: 310/- X 100) = 48.38 points

Financial bid weightage (30%) will be as follows-

A Ltd- 100 points X 0.30 = 30 points

B Ltd- 65.21 points X 0.30 = 19.56 points

C Ltd- 48.38 points X 0.30 = 14.51 points

The total score, both technical and financial, shall be obtained by weighing the quality and cost scores and adding them up.

For the award of work order the bidder with total highest score will be taken into consideration.

SELECTION OF IMPLEMENTING AGENCY

This shall be based on the Quality and Cost Based Selection (QCBS) method where the technical score (Tb) is given a weight of 0.7 i.e. (70%) and financial score is given a weight of 0.3 i.e. (30 %): Final Score of the bid = $(0.7 \times Tb) + (0.3 \times Sf)$

Where Tb is the Technical Score and Sf is the Financial Score of the bidder under consideration.

The bid with the highest final score calculated in this fashion shall be considered as the best value bid. In case of a tie, the bid that scored a higher technical score (Tb) will be considered the best value bid and ranked as R1. Similarly other bids will be ranked as R2, R3 Rn.

NEGOTIATION WITH THE R1 BIDDER

If the NHDC does not find the best offer (R1) acceptable, it may go in for technico-commercial negotiation with the R1 bidder. This revised offer will replace/supersede the earlier Financial Bid, provided that the original offer (i.e. Financial) will not be allowed to be changed to the detriment of the NHDC.
