NOTICE

Expression of Interest (EOI) for Feasibility Assessment/ preliminary survey under PM-Surya Ghar: Muft Bijli Yojana (PM-SGMBY) – Skilling & Capacity Building Component

The National Handloom Development Corporation Limited (NHDC) is in the process of submitting project proposals under the PM-Surya Ghar: Muft Bijli Yojana (PM-SGMBY) – Skilling and Capacity Building Component.

The proposed initiative aims to develop a skilled workforce in the renewable energy sector while creating sustainable livelihood opportunities within handloom and craft clusters. Many craft clusters are emerging as important destinations for cultural and rural tourism, creating significant opportunities for the adoption of clean energy solutions in craft-based enterprises, homestays, Common Facility Centres (CFCs) and visitor infrastructure.

This unique ecosystem provides an opportunity to converge renewable energy, sustainable livelihoods, skill development, and rural tourism by creating a localized pool of trained solar technicians capable of supporting community energy requirements and the growing green economy within India's craft sector.

The proposal covers the following job roles:

- Solar PV Installer – Electrical (STT)
- Solar PV Installation Helper (STT)
- Solar PV Installation Helper (RPL)

The proposed implementation will cover the States of Assam, Uttarakhand and Jharkhand.

In this regard, NHDC invites Expressions of Interest (EOIs) from its empanelled Mobilization & Facilitation Partners (MFPs) for conducting a feasibility assessment/ primary survey with respect to:

- Mobilization of potential training candidates; Recommendation from verified authorities
- Identification of suitable training infrastructure (preferably Government-owned infrastructure);
- Availability of qualified trainers; and
- Assessment of local implementation readiness.

Interested MFPs are requested to submit the information in the prescribed format given below on or before 31 August 2026 through email at mukhtarulhussain@nhdc.org.in.

1	2	3	4	5	6	7	8
Sl No.	Organisation Name	Address	MFP ID	Interested State	District	Infrastructure Available	Type of Infrastructure

9	10	11	12	13	14	15	16	17	18
Address of Infra	Total Area of Infra	No. of Classroom	Area of Classroom	No. of Lab room	Area of Lab room	Other Area	Courses Name	Potential Beneficiary List	Trainers Available

Trainers Name	TR ID & TOT certificate	Trainer Qualification	Trainers Experience (in years)	Proposed Job role	Sector	Training type (Non-Residential / Residential)	NSQF Level	NQR CODE	Category- (Common Cost Norms)

For any clarification, kindly contact: +91 70020 22434

Note:

1. Submission of the above information does not guarantee allocation of targets/work orders.
2. NHDC reserves the right to allocate targets based on the final sanction and approval of the project
3. NHDC shall act as the implementing agency, while selected partners shall provide candidate mobilization and infrastructure facilitation management support only.
